

Greetings dear people,

what a joy to have you here!

We hope that you will take a little time,
so you can rest a little and taste a glass of apple wine.

Or you can enjoy the view from the garden,
which will sweeten the wait.

Should it take a little longer with the food,
remember, the kitchen can not conjure ;) & everything is prepared very fresh
before it comes to you at the table.

For those who still have a sweet tooth,
there is a pastry from today.
And if your stomach is too full,
a glass of schnapps is always a great help.

Dear people, please remember that you can't give away a glass of
water, you serve it and then wash it again,
we hope you won't be displeased.

If you liked it with us, recommend us gladly further,
but most of all we are pleased about a reunion with you!
